

As you know all AP classes provide a summer assignment for students planning on taking an AP course during the 2018 - 2019 school year. If you have registered for the AP CSP course please use the following link to access directions for your assignment. Note that this assignment is being given in order to help you to begin to prepare for success in this course.

Do the best you can and if you have any questions email me during the summer or come see me before the end of this school year.

Thanks for registering for this class. I am sure you will find it informative and rewarding.

Always do the best that you can and you will always succeed!

Thanks,

Mr. PC
