

Dear Parent or Guardian,

It's That Time Again! Winter is almost here and it's time for

The **OMS/OHS Ski & Snowboard Club!**

If your student is a Skier or Boarder, **OR** would like to be one...

they are invited to come join the Fun!

The Minimum purchase to join is the "6 Week Lift Badge" for just \$120.00. *plus* an additional Transportation Fee of \$100 which covers our transportation to and from the mountain in a professionally driven coach bus.

For the basic fee of \$220.00, the club includes chaperoned transportation to and from Oxford and Wachusett Mt. and a **Pass** to ski/snowboard every Monday night for 6 weeks in January and February!

Additional options include discounted **Season Passes, Equipment Rentals** and **Ski/Snowboard School for you or anyone in your family.**

Transportation leaves directly from OHS/OMS immediately after school dismissal and arrives back to the Oxford High School parking lot at approx. 8:10 pm each Monday evening during the season.

As we have done in the past, all students in grades 5 - 12 are welcome. Because of the success in previous years, we will continue accepting "Beginners" as well as "Novice, Intermediate and Advanced" skiers and boarders.

However, because "Beginners" are just that, brand new to the sport, Wachuchett Mountain does require that all beginners sign up for the additional (6) weekly 1 hour lessons available through the program for a modest cost of just \$60. Again, these lessons are required for beginners and are encouraged for skier/boarders of ALL levels as students are grouped by ability and learn how to do things safely and correctly by professionals.

Information Packets which contain all the information and forms required can be obtained at the main offices of either the Middle School or High School during normal school hours.

I also encourage you to ask me any question about the OMS/OHS Ski & Snowboard Club including becoming a Chaperone at

svinzi@oxps.org

Because of limited space, the OMS/OHS Ski/Snowboard Club is limited to the first (50) applications completed and paid in full that are received by Wachusett Mt. (Registration and Passes) and by Mr. Vinzi - Club Coordinator (Transportation and Forms), on or before Friday, December 1st, 2017.

Come Join the FUN !!!

See YOU on the Mountain !!!
