## **About Operation Graduation:**

For the past 20 years, the parents of the graduating class of Oxford High School have held a special alcohol and drug free graduation night celebration for the students known as "Operation Graduation". This celebration includes renting an overnight facility, entertainment, food and gifts for all graduating seniors. At this event, the graduates are "locked in" from 9 pm graduation night through 6 am the following morning. In light of the many recent tragedies involving school age drivers, we feel that this cause is very important to the safety and wellbeing of our children. All donations are tax deductible.
