IMPORTANT NEWS!!!

2020-2021 SCHOOL YEAR FREE SCHOOL MEALS FOR ALL STUDENTS UP TO AGE 18

Dear Parents and Guardians,

This school year, due to the pandemic, the federal government has relaxed its guidelines, and for the entire school year, all school meals (breakfast and lunch) will be **FREE** for all students up to age 18. There are **NO INCOME** restrictions. We invite all families to take advantage of this opportunity, which may offer some relief for those experiencing financial uncertainty. This will also have a substantial and positive impact on the nutrition and health of our students.

When your child receives a free breakfast and lunch, it is helping our school district to receive vital financial support. This, in turn, helps our school district and benefits all of our students and future students.

Help us help you! Students can receive their FREE breakfast and lunch meals by either coming to school or we also offer a “to go” meal pick-up at the high school for those weeks when students are learning from home.

We also offer weekend meals so that each student can have a FREE breakfast and lunch 7 days a week. Please share this important news with other families you know in Oxford.

If you have any questions, please call the School Nutrition Office at 508-987-6056, or email me directly at phokanson@oxps.org

Sincerely,

Pat Hokanson
